A two-bedroom apartment of 100 m² on the fifth floor of Q Conzept in Kata, with rooftop access. Fully furnished and finished. Kata and neighbouring Karon are Phuket's second busiest resort area after Patong, yet noticeably calmer: two wide beaches, promenades, restaurants and dive centres, with little Kata Noi nearby. Housing here largely stands on the hillsides, so sea views are more common than further north; the trade-off is the gradient and the need for transport.
