A two-bedroom apartment of 75.51 m² on the fourth floor of Ayana Heights in Layan, facing the sea. Under construction, with handover stated for 2027. Held on a leasehold, with built-in furniture. Layan is the quiet northern end of Bang Tao beach: more open and less crowded than the stretch by Laguna, while the district's everyday infrastructure — Boat Avenue, Porto de Phuket, supermarkets, clinics and schools — is close at hand. For letting, Bang Tao remains the island's most predictable district.
