A single-storey, four-bedroom villa: 360 m² of house on a 527 m² plot, in Botanica Modern Loft, Bang Tao. Brand new and never lived in, fully furnished and ready to move into. Bang Tao is the north-west coast, about half an hour from the airport; the beach runs some six kilometres, calm and well served by Laguna, quieter and more open towards Layan. Daily life centres on Boat Avenue and Porto de Phuket: supermarkets, cafés, clinics, schools and the Friday market.
